

# **General Guidelines for References:**

## **Electronic Sources**

**1. Author(s)**

**2. Year of internet publication or last revision of web page**

**3. Title of the author's document or particular page**

**4. Title of entire web site and the person or organization responsible for maintaining the site (if relevant)**

**5. <URL > in angle brackets**

**6. Date accessed the site. (Very important!)**
