

Online Magazine and Newspaper Articles

General Format

References Cited:

Last Name, First Name and Initial(s) of author [followed by first name, initial(s), and last name of other author(s), if any].

Year. Title of article. Title of Newspaper or Magazine. Month Day:Pages.

Examples

References Cited:

Ennis-McMillan, Michael C.

2002 Anthropologists and Campus Greening. *Anthropology News* 43(3):39-40.

Los Angeles Times

1986 AIDS Spread by Mosquitos, LaRouche Says. July 13:30.

Note:

1. If there is no person as the author, use the name of the newspaper as the author.
2. The year of publication is used as the date. Include the volume and issue after the title of a newsletter. Include the month and day of publication (if available) after the title of the magazine or newspaper. A colon separates the month and day from the page number.

In-Text:

(Ennis-McMillan 2002) or (Los Angeles Times 1986)
