Friday, December 1, 2000

Present: Adam Abramowitz, Sandy Baum, Susan Bender, John Berman, John Brueggeman, Pat Fehling, Pat Oles, Lary Opitz, David Peterson

1. Adam read a statement from Academic Council regarding the curriculum proposal.
2. CEPP approved the minutes from meeting #19.
3. The committee agreed to co-sponsor a gathering in honor of Eric Weller.
4. John Brueggeman informed the committee that according to John Thomas, we can bring a revised motion as a substitute motion as long as the Chair approves it.
5. Ann Henderson is concerned about the idea of allowing students to choose which set of requirements to meet. We agreed to wait until after a new core curriculum is passed to decide on implementation details.
6. We made minor changes to the wording of the proposal.
7. The Committee discussed what our response would be if specific amendments not consistent with our goals for the revised curriculum passed the faculty.

Respectfully submitted,

Sandy Baum
