Minutes approved.

- II. CEPP discussed the Spring 2011 agenda, including
 - Cultural Diversity Requirement
 - Student Rating Systems
 - Transitions and TransformationThe Science Vision Plan and Optimization are other issues that may affect the agenda this semester.

- III. Discussion of Revising Cultural Diversity Requirement – = Fall Retreat.

ed to write a motion to establish a new set of criteria for the
iversity requirement. The motion will articulate our view that
definition of cultural diversity has evolved since the original
as written to include gender, class, religion, and sexuality. The
nition will also allow additional courses to satisfy the CD
nt.

l to not pursue the suggestion that Skidmore adopt a two course
quirement, at this time, for both logistical reasons (not enough
curricular reasons. We also discussed requiring students to fulfill
ment by their sophomore year, but we dismissed the idea for
nd curricular reasons.

d Winston are going to write the motion and the rationale. We
he proposal to Curriculum Committee to consult with them.
