SGA Executive Committee is the body where the figureheads of each SGA tentacle come together. Each Executive Committee member, with the exception of the President, has responsibility to one major division of SGA: residential life, academics, finances, clubs, and public relations. The Executive Committee provides recommendations to Student Senate pertaining to any matter of student life, SGA operations, and willingness-to-serve nominations for a variety of SGA, faculty, and All-College Committees.

## Clubs and Organizations

Executive Committee is excited to appoint a new Vice President for Clubs and Organizations in mid-October. We will recommend the new officer pursue the following projects in conjunction with his/her own goals. The VP for Clubs and Organizations acts as the liaison between Clubs and the other bodies of SGA. This officer, in conjunction with the Club Affairs Committee, reviews and approves new club charters. He/she also enforces and maintains club policies and executes the de-chartering of inactive clubs. Currently, SGA funds nearly 100 clubs.
