## **MOTION**

The Curriculum Committee (CC) moves to revise the Faculty Handbook language describing its membership. There are three proposed changes: (1) Reduce faculty membership from five members (including a Chair) to fourtembers (including a Chair) Adjust administrative roles on the committee (3) Reduce student membership from towone

Rationale: The rationale for the motion is as follows

- 1. Reducing faculty membership on CC will make it easier to stafballnoittees.
  - We believe that the workload will still be manageable with 1 fewer faculty member
  - Our revised language still demands that4hemaining faculty members come from different divisions, meaning that the committee will continue to be academicallydiverse.
- 2. According to the Faculty Handbook, the DOF/VPAA or a designated representative
