Message to HF community: "I'm so excited to be able to help lead the Honors Forum along with my amazing Executive Committee and am hoping to increase the participation for HF events and the sense of community within HF. While we all have a common goal of increasing our perspective, we can create a fun and vibrant community for students during our college years. Combining our talents and taking on leadership positions, I am more than happy to take any suggestions about HF throughout the year and hope to get to know all the incredibly talented members personally."
