Director of Diversity and Inclusion: Lizzy Hernandez '18

Featured HF Class of 2016: Anne Murray Computer Science Research

In this one-credit course, students are mentored by our faculty members to explore and conduct research in the area of computer science.

Welcoming Back Our Students!

A strong sense of community and involvement is increasingly important to the HF members. Our events have already started! On Tuesday, September 15th we had our Welcome Back Picnic in the Spa Saratoga Room. It was a huge success and we were very excited to welcome back our students. It is going to be an amazing year!

Jon Ramsey Lecture

Our annual Jon Ramsey Lecture was held on Thursday, October 15th and it featured Grace Burton, Associate Professor of Spanish in the Department of World Languages and Literatures. We had an incredible turnout this year! Professor Burton inspired us with the *Exile in Castile* by Juan Manuel Boscá translated as well as migrated to western thought. She explored the meaning of nothing and the "number" here through examples from literature, science, and visual art. All of these things have changed the things that have happened in our lives by "nothing" or things that did not have
