December 18, 2009**

PRESENT: Professor Adrienne Zuerner, Vice Chair; Mary Lou Bates, Rochelle Calhoun,
Michael Casey, Winston Gr,

Mr. West also distributed information from the Bureau of Labor Statistics tracking the Computer Price Index by month over the past decade. He noted that Skidmore's FY '11 budget planning projections so far have assumed an increase in the Consumer Price Index of

votes related to reducing inefficiencies (meaning, in this context, enhancing sustainability efforts).

4. Feedback on Faculty Meeting Presentation of Employee Growth Statistics

At President Glotzbach's request, Vice Chair Zuerner asked the group for their thoughts on how the presentation on employee growth had been received at the faculty meeting. Comments included the following:

- One member had been under the impression that the President gave this report because there were more cuts coming.
-
