### 1. Approval of Minutes

Minutes of the February 14, 2014 meeting were approved.

### 2. Update from Board of Trustees Retreat

to committee discussions on admissions and financial aid, the Center for Integrated Sciences, Union updates, the Campaign, health and wellness, assessments in Student Affairs, and the Strategic Planning process, the Board also discussed larger issues of assessment, accreditation, and the state of the humanities and social sciences, both nationally and at Skidmore. In addition to the meetings, the Board attended an Alumni Event with Naples-area alumni where President Glotzbach provided a College update and responded to questions.

Mike West reported that the Board approved the major budget parameters for the Operating decisions.

### 3. Hazing Policy Draft

On behalf of the IPPC Student Affairs Subcommittee, Sam Harris presented a draft of a hazing policy. Addison Bennett, Hannah DeGraaf, and Leo Porter, representatives of the SA Subcommittee were present. The IPPC reviewed the draft and discussed suggested revisions to the document. The Subcommittee will continue its work on this draft and will then share it with

counsel. Erica Bastress-Dukehart also expressed an interest in sharing it with her Crime & Punishment Class.

### 4. Smoking Policy

On behalf of the IPPC Student Affairs Subcommittee, Mr. Harris also brought forth the Smoking Policy which is to become effective beginning Fall, 2014. Rochelle Calhoun stated that the College will re-evaluate this policy in Spring 2017 with the intention of going smoke-free in Fall 2017. A few minor revisions were suggested as well as including language stating that electronic cigarettes are currently not prohibited. The map clearly designating where smoking will be and
