

Enhancing Skidmore Excellence:
Strategic Action Agenda 2024-2025

2023-2024 Strategic Action Agenda (SAA). This past year saw us move further from the pandemic and its impact, welcome to the Skidmore leadership five new Vice Presidents, take the next steps in institution-wide planning, and respond to the global conflicts that impacted college campuses across the country. The College should be proud of how well

leaned into this complex conflict through a wide range of programs, discussions, forums, vigils, speakers, and events. Our ongoing, multi-year focus on **5) Speech and Expression**
