

After clicking "Register for Classes", choose the appropriate term.

You can search for courses using any of the criteria below

Session (Summer only)

Department/Program OR All Coll Requirements

Instructional Methods

Specific Dept/Program Only
(excludes other crs that count)

Course # (e.g. 101, 251C, etc)

Title (use * for a wild card)

Instructor

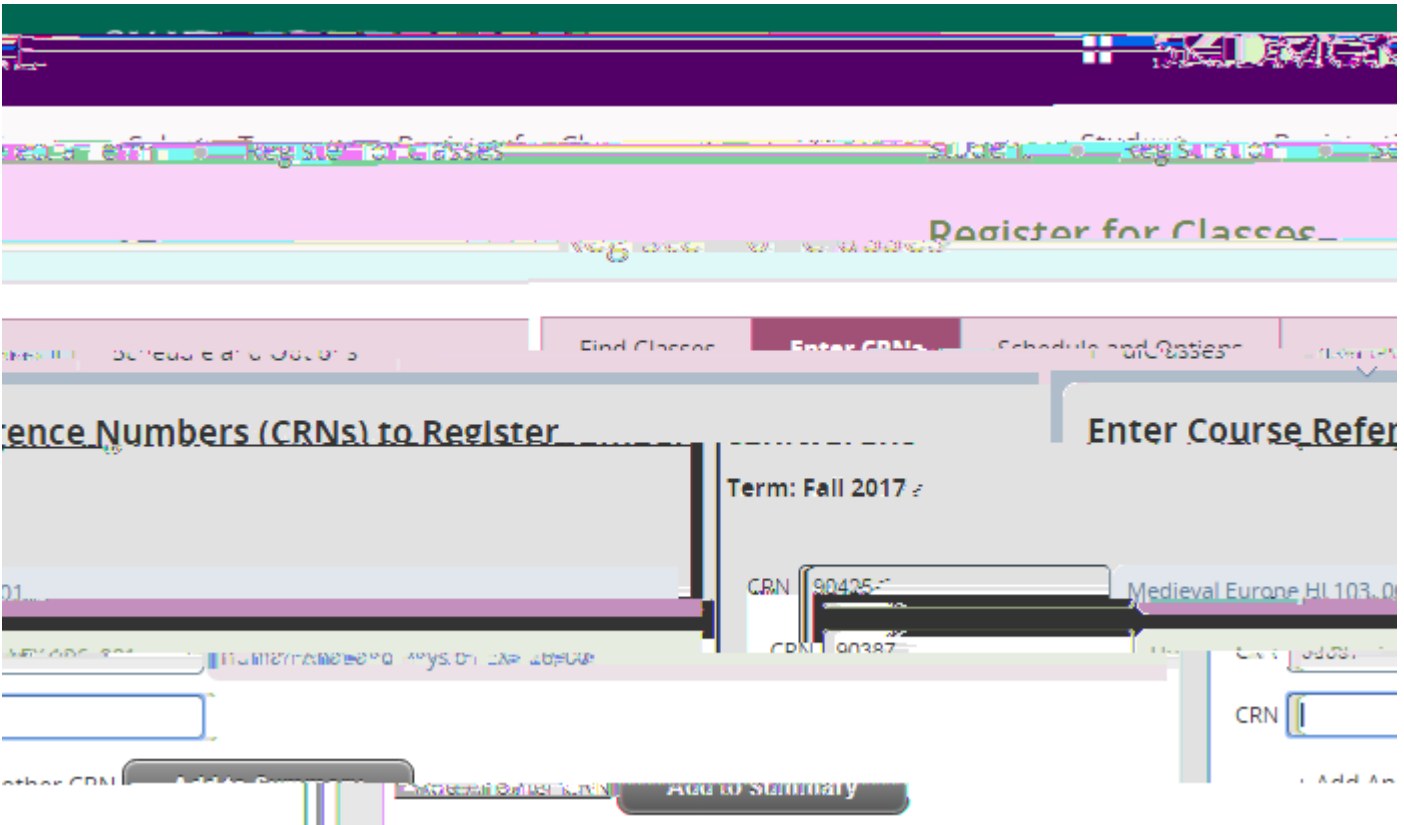

CRN

Open in First Term (enter EX)

The search results page contains all course information. Click on the title to view more details like course descriptions and attributes (All College Requirements).

OR you can enter CRN's here and add them directly to your summary

The Summary area is basically your "shopping cart" and you must click submit to become officially registered.
