Section I: What is Residential Life?

In support of the mission of the College and the division of Student Affairs, the Office of Residential Life guides students as they navigate the challenges and opportunities presented by community living experiences.

The Office of Residential Life plays multiple roles on campus. Residential Life is responsible for the residential education of all students and the student housing process. Residential Life is also an excellent source of information for referrals and assistance in navigating the campus.

Section II: Policies

All students are asked to comply with all Skidmore College directives and guidelines related to public health crises.

The College affirms the right of the student to privacy, but the College has a legal right and obligation to ensure the health, safety, and welfare of its residents and their property, and to prevent the use of College buildings for illegal purposes. Therefore, the College reserves the right to enter student rooms without noti

All furniture provided by the College must remain within the room unless otherwise removed by the College under limited circumstances, such as de-tripling or accommodations. Students may not remove triple furniture themselves.

Residents are under a continuous (24/7) obligation, known as Courtesy Hours, to be considerate of other students regarding noise levels and comply with reasonable requests to lower noise volume.

Quiet Hours in all residential spaces are from 9:00 pm – 9:00 am Sunday night through Friday morning, and 1:00 am – 10:00 am Friday night through Sunday morning.

Inconsiderate behavior, excessive noise, hosting bands or DJs, possession and/or use of subwoofers, surround sound systems, and the playing of any musical instruments within residential spaces is prohibited.

Students found to have repeated violations of any parts of this policy are subject to disciplinary action through Student Conduct.

Students interested in moving back to campus may apply to do so by requesting to be placed on a housing waitlist. Students on this waitlist will be housed on a space-available basis only after students residing on-campus on the room change list have been accommodated.

One of the exceptions outlined above is accommodations. For students that may require special consideration in their housing process, an accommodations process exists. Students seeking sponsorship may not be eligible for the following reasons:

Residence Hall – Students living in Wait Hall and Jonsson Tower are not eligible for sponsorship. Other building residents may become ineligible at the discretion of the Office of Residential Life.

Student Conduct Record – Students with a record of repeated conduct violations, incomplete conduct sanctions, or on Disciplinary Probation may be denied permission to be sponsored.

At times, Facilities Services will be required to complete largescale maintenance projects in a building at the conclusion of the academic year. In some cases, this may require that the building be vacated, and students will be unable to remain on campus for Senior Week. The Office of Residential Life will notify students of this information as soon as possible during the spring semester.

All students staying for Senior Week are expected to depart campus by 10:00 am on the Sunday after Commencement.

Damage billing occurs at the end of the year. During this process, students are charged for any damages that occurred to their living space or common areas. Failure to meet cleaning expectations may also result in damage billing. Spaces are inspected by Office of Residential Life and Facilities Services staff to determine cleanliness and damages. Students will be held responsible for the costs associated with the repair or excessive cleaning of their space. These charges will appear on the student's bill and are non-negotiable.

The Office of Residential Life inspects all spaces prior to the start of classes in

order to determine the starting condition. This condition is reported to the StarRez system and room condition forms are generated for each student living on campus. Students must go into their Residential Life Housing Portal and select the option to review their room condition information. Students should review their space carefully, comment on any issues with that particular space, then accept the condition.

Students are expected to leave their housing space clean and in the same or better condition than they found it. Spaces are expected to be broom clean, free of debris, trash and all personal belongings. In addition, spaces should be swept/vacuumed and surfaces should be wiped down. In the apartments, kitchen sinks and refrigerators should be cleaned should be wiped down. TJET31 80.664 J1
