Think back to the first time you walked into your residence hall room – it was pretty basic. Campus housing is just that, and rooming arrangements are a combination of singles and doubles (possibly triples) sharing bathrooms. For those housed in Northwoods or Sussman apartments, those units include multiple single bedrooms (with minimal furnishing), air-conditioning, and include unstocked kitchens. All rooms include basic bed linens, disposable pillow, a blanket and a towel per person.

for your personal electronic devices
4including soap, washcloths, a small mirror, tissues, and shower shoes (including a cup for brushing your teeth or taking medication)

4there are filling stations located around campus
--although a towel is provided, you may want your own bath-sized towel
—although a pillow will be provided, you may want to bring your own
4Saratoga Springs can be hot!
in case of rain
in case of cooler weather4overnight temps can be chilly
